## Information for Patient

We are a screening and prevention clinic. We are pleased to provide cervical screening (PAP test) for you. We also provide breast health consultations. Please call for appointment – you must provide your Alberta Health Care # and date of your last period at the time of your booking. A consultation note and your PAP results will be forwarded to the referring physician.

\*\*\* PLEASE BRING THIS REFFERAL FORM TO YOUR APPOINTMENT \*\*\*

Please call for appointment: 403-254-2030
